

**NEW heat pump discount of up to \$1,200 available for Paxton Municipal Light Department customers!**

**Between \$900 and \$2,800 in savings per year!**

**Heating oil and propane customers who switch to cold climate heat pumps could see significant annual savings.**

As part of your local light department's efforts to promote clean home heating and cooling alternatives for residents in Massachusetts, Mitsubishi is offering **PMLD** customers special pricing on the purchase of a cold climate heat pump.

Heat pumps are an efficient and clean way to increase comfort in your home and save on your bills.

A copy of your **PMLD** bill is required to receive your incentives. This is a limited time offer available through **December 31, 2020** or until funds are exhausted. Projects with an installation date of **February 1, 2020** or later are eligible. Visit [MuniHELPS.org](http://MuniHELPS.org) for details.

There is a **SMARTER** way to heat and cool your home. Fix one room or the whole house.
